

Tales from The Pocket Messiah

**Written and illustrated by
Frances Steinberg**

After the publication of the novel, *The Pocket Messiah*, Frances would frequently read a bit of it during her professional presentations. People would often come up to her afterwards, wanting a copy of a particular story so they could share it with a friend. The stories have been re-written from their original form so they could stand alone. A note about the stories precedes each of the three tales.

phac publications, 2004. Soft cover.

ISBN 0-476-00278-8. 32 pages.
